THE HONOREE OF THE 60TH ANNUAL NETHA SALE ANN STEVENS

Ann Hughes Stevens was born and raised into a family of cattle producers. Cattle are still run on land called the “Dipping Vat” that belonged to her great-granddaddy since 1890. So named because people came from long distances to dip their horses and cattle.

Ann and her husband, Horace, bought their first registered polled Hereford cattle in 1979 to run with their crossbred cattle. With her family, Susan, Mike, Steven and Sara, she runs a small registered/commercial herd now. A long-time member and consignor to the Northeast Texas Hereford Association, she was very instrumental in helping her daughter Susan and son-in-law Mike run the sale “behind the scenes” and served lunch for nearly 15 years.

Horace and Ann, along with long-time friends Don and Ann Metch, started the Texas Harvest Sale that they were a part of for several years. Ann and Horace had several champions with their show cattle. The finest moment was when their young bull “Muscle” was reserve state champion bull. With her grandchildren, Steven and Sara, she has been able to continue to attend shows and sales throughout the years.

Ann says that attending cattle shows, sales, Hereford functions and meeting wonderful people from everywhere has been a journey. She is very appreciative of the members of NETHA honoring her at their 60th sale which has been a part of her life for many years.

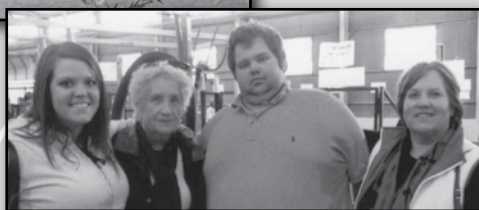

Thanks Mother and Grandmother (Grandma to Sara!) for your help in making the NETHA a success, even when times were not so good! Sometimes we forget to say “Thank You!”— Susan, Mike, Steven, and Sara Rader

Our family always enjoyed Ann’s kindness and warm smile. We always counted her among God’s many blessings. — Kinnear Polled Herefords

Ann is a good friend and an avid supporter of Herefords, the NETHA and the Sale. She is ready to be involved in whatever it takes to make the sale run successfully, especially in welcoming buyers and guests and providing the meal. Congratulations on being selected the honoree of the 60th sale. It is well deserved. —Willis Polled Herefords

The Justiss family appreciates Ann Stevens’ steady service to the NETHA. Ann and Horace Stevens were always side by side working to build the Association. We honor Ann for her loyalty and perseverance. — Justiss Ranch

Whenever NETHA is mentioned, one of the first families I think of is Ann’s. She and her family were so instrumental in the current success of the NETHA, always there and working for the benefit of all the consignors. It is always a pleasure to see Ann’s smiling face at the many Hereford events she attends. Congratulations, Ann. No one is more deserving. — Dennis Schock

- 405 is a very unique offering. Her genetics make her a standout in any crowd. She is sound, correct and has the potential to make a super cow. We have retained many of her sibs through the years. She is already on the track of making a super brood cow. We have already weaned her first calf.
- She is bred back (5 months bred) to -S MR Advance U145 X22, a super young bull from the Schock Cattle herd. Don't overlook this female.

- 378 is a great 3-year-old that will make a very nice addition to any herd. Her dam is a Dam of Distinction, making this young female packed with potential. Her sire is the super horned Highway son. He adds length and volume to his offspring. Take a good look at this female and her pedigree.
- She will have a calf at side by sale day. The calf will be sired by W5 Overtime 400J, a Bounty Hunter grandson. 400J has caught the eye of many breeders. He was undefeated in class and stood reserve champion bull at the State Fair of Louisiana in 2010 and 2011. See his photo at w5herefords.blogspot.com.
