

REES BROS.

Since 1942

24TH ANNUAL PRODUCTION SALE

Friday, November 11, 2011

At the Ranch

Morgan, Utah (Exit 106 off I-84)

Lunch 12 Noon • Sale 1 P.M.

**SELLING
HEREFORD AND
ANGUS BULLS AND
BRED HEIFERS**

Rees Bros. Welcomes You!

Fellow Stockmen and Friends,

We appreciate you taking time from your busy schedule to be with us on November 11th for our 24th Annual Production Sale. Please feel free to stop by and appraise the offering prior to sale day. The cattle will be presented in their working clothes, ready to perform without disappointment when you get them home. We try to avoid over fleshy bulls that melt down in service.

We have sought after and purchased some of the best genetics in the breed. Every year the quality notches upward. You will be able to find the genetics and performance that will push your program forward at very reasonable prices.

We are confident that you will find the quality of cattle you are looking for at a price you can afford. Please call or write with any questions you may have.

Respectfully,
The Rees Family

Scott Rees
801-645-4350 mobile
801-829-3310 office

SALE INFORMATION

Terms and Conditions

Cash unless other arrangements have been made. Each animal will be sold to the highest bidder. The auctioneer shall settle any dispute as to bids. No cattle will be released until after settlement has been made. The responsibility for liability is transferred to the buyer upon payment. The utmost care will be given to all animals until delivery, but delivery itself will be at the risk of the buyer.

Absentee Bids

If for any reason you are unable to attend this sale and would like to bid on any of the lots, please contact us to handle a bid in total confidence and privacy. You may also send your bid with a fellow cattleman you trust.

Health

Every animal in the sale is, to the best of our knowledge and preparation, free from any disease or defect and can be transported across any state line. All bulls in the auction are virgin bulls! All sale cattle have been vaccinated with an 8-way Clostridial vaccine, 4-way Respiratory, Vibrio/Lepto and Ivomectin Plus. The females have also been vaccinated for Brucellosis as calves. All bulls have been physically examined by a veterinarian for testicular correctness and size. In this examination, scrotal circumference was measured as well. All bulls have been trich-cultured negative. All sale cattle are PI tested negative for BVD.

Guarantee

All animals are guaranteed breeders. The future breeding ability of an animal is largely dependent upon how they are cared for after purchase. The bulls are guaranteed breeders and the heifers are guaranteed safe in calf. Any problem with a bull or heifer should be brought to our attention within 11 months of this sale date or expected calving time for heifers. All guarantees apply to situations of reasonable use and conditions and where we, as breeders, are responsible for the failure of the animal in question. A full money back guarantee will be given or, when possible, replacement of an animal with one of equal value.

Registration

All cattle are registered and can be transferred to the buyer at the seller's expense, black baldies excluded.

Announcements

All announcements from the auction block will take precedence over any printed material in this catalog or any and all other supplements.

Delivery

Free delivery up to 150 miles on a \$2,500 purchase. Bulls picked up within a week of purchase will receive \$40/head off the purchase price, \$25/head for females.

Liability

All persons attending this sale do so at their own risk. Rees Bros. assumes no responsibility for injury or accident.

**MORE EFFICIENT
MEANS
MORE HEREFORD.**

HEREFORD — MAKING BLACK BETTER.
For efficiency and productivity, nothing gets into better than
Hereford. Hereford characteristics, such as great feed utilization,
above a \$70 advantage per head and registered calves born start to
ship¹, ideal for your herd and for the future of your business, adding
Hereford genes can help you to become more profitable.
