## **Terms and Conditions**

---

**Terms:** Cash. Each animal is to be sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until after settlement has been made. Each animal will be at the purchaser's risk immediately after the animal is sold.

**Announcements** at the sale ring by the manager or auctioneer shall take precedence over statements in the sale catalog. The owner is responsible for any statements or announcements regarding his consignments in the sale.

**Health certificates** will be delivered to the purchaser at time of settlement.

**Registration certificates** will be transferred through the AHA to the buyer at the seller's expense by the WHA secretary. Buyers should advise the clerk of the WHA of proper names and addresses in making transfer. AI certificates will not be furnished by the seller on females carrying the service of non-owned AI sires.

**Breeding Guarantee:** All bulls and females are guaranteed to be breeders if given proper care. Heifers pronounced safe in calf by the veterinarian shall be considered breeders without any further guarantee. All bulls over the age of 12 months will be semen tested. A copy of the semen test will accompany the health papers. All claims for adjustments must be in writing within six months of sale. Any animal returned to the seller because it does not comply with the guarantee will be at the buyer's cost of transportation. Animals of breeding age that fail to breed after a six-month trial may be returned to the seller's farm if in good condition. The seller reserves the right to try said animals for six months and if it proves to be a breeder, return it to the farm of the buyer. If the animal proves to be a non-breeder, the purchase price will be refunded or another animal will be furnished at the buyer's request.

**Liability:** All persons who attend the sale do so at their own risk. Neither the management nor the WHA assume liability, legal or otherwise, for accidents which may occur.

- Tradition is a polled son of National Champion STAR Bright Future who is also the sire of national champions. Tradition is a maternal brother to our Right Now bull whose outstanding dam out of 29F has had seven calves with a calving interval of 359 days and a weaning ratio of 106. Tradition was shown last summer. He has a very nice disposition and is wide-topped and clean fronted with added body depth and dimension. Tradition's birth weight was 94 lb. and adjusted 205-day weaning weight of 875 lb. His 11-month weight was 1,235 lb.

Lot 8 — *C&L Mr. Avenger 485T 5Y*

- We offer you our top 2011 bull in Avenger who ratioed 106 at weaning. This own son of Redeem was our growthiest spring calf as his excellent EPDs attest. If you recall, Redeem was the highlight of the fall sale season when he sold for \$50,000 in Jenson's cow sale. This polled son out of a daughter of the 4496 Cooper cow includes some of the staunchest Hereford genetics the breed has to offer. Buy this yearling with confidence that the resulting offspring will be very marketable at weaning. Check out the video on our sale offering at [www.cnlfarm.com](http://www.cnlfarm.com).

Lot 19 — SF Triple Revolution Y1

- This Revolution 4R daughter keeps getting better and better. Her dark red color is very appealing. She has extra length in her body and neck with very good feet and legs. She and her Triple Plus 73C mom were eye catchers in the pasture all summer. Great growth EPDs with a low birth weight. A very nice female out of a first calf heifer.

WLC Haroldsons 13P Maxx ET 20T —  
 Sire of Lot 21

- Maxxine is a calm, dark red, deep bodied, well balanced heifer who should make a program building cow. Her sire, Maxx, was an Agribition class winner and his dam, Mira 62K, was a Denver junior champion female. Maxxine's mother has small teats and a beautiful udder. She is by Churchill Yellowstone 601S ET who is a trait leader in CED, MCE, FAT, REA and CHB\$. She will be a great addition to your herd and show string. Visit our website, [www.garialanfarm.com](http://www.garialanfarm.com).

- This is the heifer that caught John's eye when he walked in the barn. She has great neck extension and keeps that total mass and top with a very feminine look. This Revolution 4R heifer has great numbers and a pedigree full of power.

Her growth EPDs, low birth weight, carcass EPDs and great looks make her a "no miss" prospect. This powerful female is also out of a first calf heifer. She will make any junior a great show heifer. Don't miss this one on sale day.

- Yellow Rose is a stylish, deep ribbed, square hipped heifer from our premium cow family that has produced a wealth of competitive show heifers, herd bulls and highly productive females. 26Y's full sister was a consistent class winner for Wildcat Cattle Co. during the 2011 show season. Ned and Jan Ward have taken notice of this cow family having a maternal sister currently in production at the ranch and recently purchasing 26Y's full sib embryo in the 2011 Genetic Selection Sale. Her balanced birth, growth and milk EPDs are complimented by the strong positive REA and MARB data. The quiet disposition and proven pedigree will make her an enjoyable and competitive show heifer with her true value coming when the forward thinking Hereford breeder turns her into the pasture. Visit [www.brookviewacres.com](http://www.brookviewacres.com) to view video and supplemental photos.

- Retaining the right to one flush at the seller's expense and the buyer's convenience. BW 82 lb.
