- This heifer calf is really pleasant to look at. Should make one really good show heifer prospect and brood cow. The dam, Ginger 47U, is one of the top brood cows in our herd. The grandam was the number one cow in our herd, producing until age 15. Here are great cow families stacked on top of great cow families.
- Sells open, OCV

- This Highway granddaughter has all the right parts. She is smooth fronted and structurally correct with adequate muscle. She has the style and balance to make a front pasture cow and the pedigree to make a great brood cow for her new owner. She has been shown and will be again this spring.
- Plan to have her bred before the sale.
- ***Consigned by Roseview Cattle Farm, Snow Camp, N.C.***
